

ST. JUDE'S ACADEMY AFTER SCHOOL PROGRAMS February 2020

St. Jude's Academy offers a variety of fun, education programs to engage and expand your child's scholarly experience beyond the classroom. Highly accredited, motivational and exciting instructors teach all of the programs. Listed below are a summary of all St. Jude's After School Programs. Browse through your options and select on the attached registration form which programs you would like your child to attend.

Piano

Mondays/Tuesdays/Wednesdays/Thursdays

Instructors: **Ms. Bannon or Frederick Meneses**

SK-Grade 6

Piano is a fun way to encourage and develop your child's musical ability. We have group lessons, semi-private and private lessons. All classes are 30 minutes in duration. Spaces are limited and time slots are given on a first-come basis.

Art & Recycling

Mondays

Instructor: **Ms. Veldboom**

Let your child explore their inner Picasso through our St. Jude's Academy After School Art Program. Students will create their own masterpieces using different art mediums such as paint, canvas, wood, and glass just to name a few.

Introduction to Robotics

Fridays

Instructors: **Zebra Robotics**

Grades 4-8

Robotics 400 introduces students to the world of robotics. All mechatronic robots have basic common components such as sensors, computer, power source, motors and body frame. Students will be introduced to all the basic components and should be well-versed in building, programming a basic rover bot for mobility and maneuverability at the end of the course.

Parents do not need to accompany their child to any lesson or class. If you have any questions or concerns please contact Melissa Filion. Email mfilion@stjudesacademy.com or phone 905-814-0202.
