SJA Leadership Camp

The SJA Leadership Camp is ideal for candidates who show strong initiative, are eager to grow their leadership experience, have a passion for working with children and hope to continue working with children and/or pursue more leadership roles. Our goal is for participants to use the skills they've developed in the program at school, home, work or wherever life may take them. Candidates receive training in areas such as leadership, mentoring and instruction. The SJA Leadership Camp is designed to develop the interpersonal skills of each participant, increase self-esteem and self-confidence and strengthen communication and organizational skills.

- Low instructor to camper ratio of 1:15 to 1:20. Family and friend groups are encouraged and welcomed.
- Campers who attend this camp for 3 weeks will receive an IB Leadership Certificate. A letter of record/reference for campers will be available upon request.
- Leadership Camp participants will learn the values of teamwork, responsibility, self-esteem, confidence and communication.
- The Leadership Camp participants will volunteer at the SJA Summer Camp (JK to Grade 5) to learn camp counsellor responsibilities.
- Prices – ALL INCLUDE ONE DAILY SNACK
