# SJA Multi-Sports Camp

Participants will enjoy a wide variety of sports instruction in the most fun, engaging camp atmosphere imaginable. Our highly qualified coaches and staff will help participants develop skills and excel in sports such as soccer, basketball, baseball, floor hockey, volleyball, dodgeball, flag football and so much more!

St. Jude's Academy offers all campers access to the best sports facilities in the city, with our private sports dome and turf field, indoor and outdoor basketball courts, and multiple gyms across our campus.

Campers will leave each week with a greater versatility of sports skills, an increased level of foundational physical skill sets such as coordination, balance, and accuracy, and essential life skills applicable to sports and beyond. Teamwork, cooperation, communication, a healthy competitive mindset and respect play are among the many benefits your child(ren) will leave each week with a greater grasp on overall.
